INCANTO COLLECTION

Incanto, the new collection presented by CTA®, takes inspiration from the Italian wonders of Unesco heritage, which should be visited at least once in a lifetime. Territories rich in history, breathtaking landscapes, crystal clear waters have given their names to the wide range of fabrics of this collection.

Incanto's fabrics, indeed, completely absorb the spirit of these unique places. The peculiarity of the new collection is the one to propose excellent fabrics both modern and classical, with sophisticated yarns, embroidered designs, engraved decorations and sophisticated materials and quality.

Also in the new 2019 proposal we find the CTA® winning feature, that is to say the offer of products which can be combined, suitable for different uses like curtains, decoration and upholstery.

An offer which is characterized by a wide range of colours to satisfy different needs.

AMALFI

Amalfi is an area of outstanding natural beauty located along the Tyrrhenian coast of Italy and it is characterized by terraces for cultivation of vineyards and monuments of great artistic and architectural value.

Amalfi is a printed curtain with watercolour effect printed flowers in 100% PL. It offers two colours coordination, one in the blue-green tones and the other one in the purple and forest green tones in width 295/300 cm with lead.

CILENTO

Cilento, land of Campania with smooth hills covered by olive groves which are mirrored in the blue Tyrrhenian Sea, has always been a thoroughfare of people and traditions. It is crossed by lively streams, rich in woods and holm oaks, its beautiful landscape is interrupted by villages settled in the rocks or lying on the sea shore. And it is here that the magnificent National Park of **Cilento** rises and in 1998 was included in the Unesco list. The curtains, of the new CTA® collection, inspired by **Cilento**, is an elegant tie-dye Jacquard in Viscose (65%) Cotton (15%) Polyester (10%) and Nylon (10%) in width 310/315 cm. **Cilento** fabric presents an animalier design ideal for curtains and decoration and available in golden yellow, forest green, turtledove, coloured powder, natural and beige.
